I have worked a lot in multicultural environments (World Bank, UkrSybbank, the Vienna Institute for International Economic Studies). Jobs I had in the International Centre for Policy Studies, GfK-Ukraine and UkrSybbank required extensive communication both with colleagues and clients, while work at the Support Group for the Coordination Council on the Financial Sector Policy at the Cabinet of Ministers of Ukraine required wide communication with the government. I was a member of the EERC alumni discussion club in which economic policy and cultural issues were discussed.
