# Etatist Conservatives

# Inconsistency

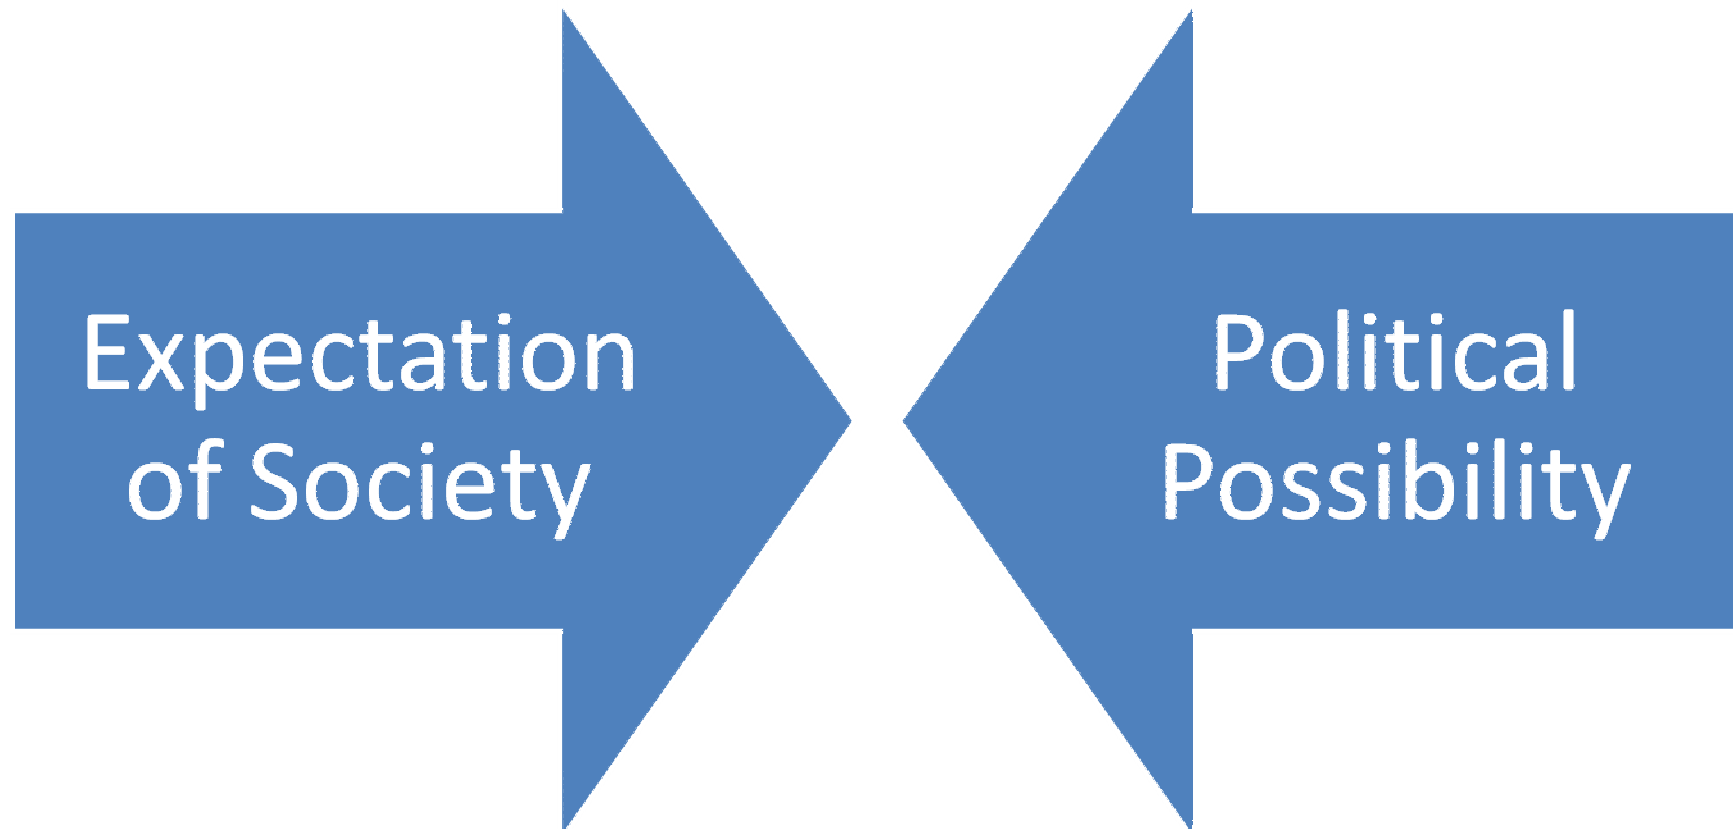

High(er) state  
support

The diagram consists of two large blue arrows pointing towards each other, meeting at a central point. The left arrow points right and contains the text 'High(er) state support'. The right arrow points left and contains the text 'Low(er) taxes'. The arrows are solid blue with white text.

Low(er) taxes

# Consequence

# Solution of Fidesz

- Rhetoric:
  - Denial of austerity pack (increasing taxes and/or decreasing expences)
- Policy:
  - Partly leftist: e.g. Crisis tax, bank tax, childcare aspects of tax-system
  - Partly rightist: flat tax, cutting back expences

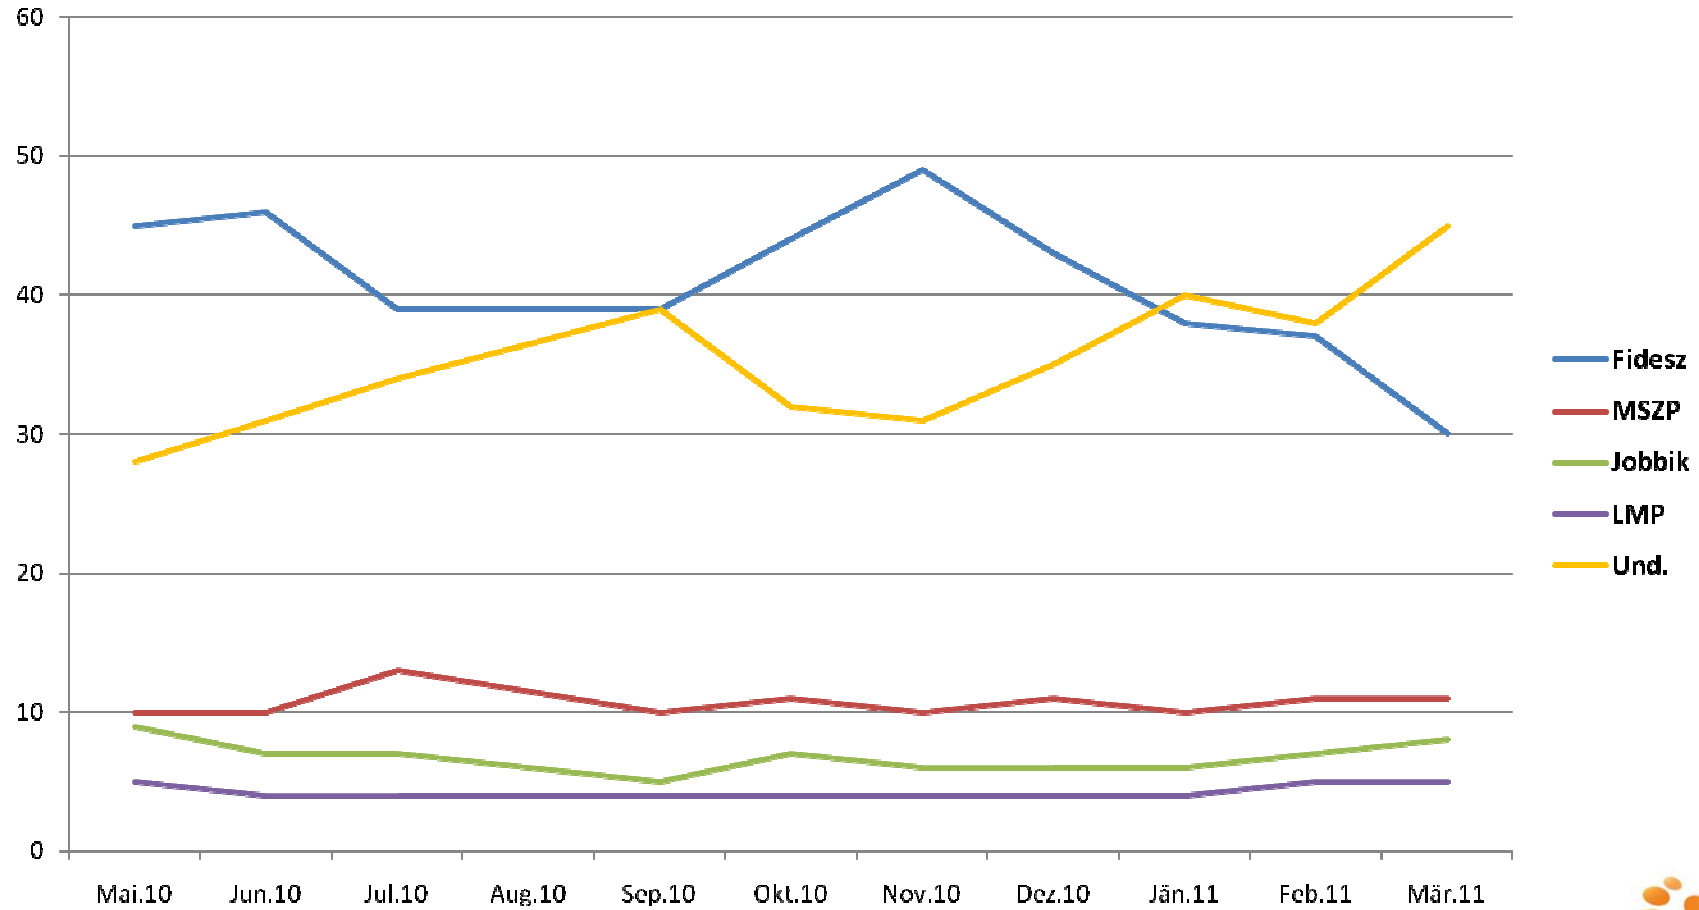

# Political ethics

- Max Weber: political ethics and „everyday” ethics differ
- False constructions and political lies
- Good governance:
  - Sustainability
  - The long run vision is to wind up incoherence in society

# Party preference

## Good governance

*Ambrogio Lorenzetti*
