WORK EXPERIENCE

[01/03/2023 – Current]

Researcher

Vienna Institute of International Economic Studies

City: Vienna

Country: Austria

- Developed ETL pipelines using R and Python to enable smooth web scraping, data extraction, and data wrangling for macroeconomic research.
- Scripted dashboards and data visualization apps using Python Streamlit and R Shiny libraries.
- Consulted UNIDO on current industrial policy trends in Eastern European and South Caucasus region for UN Industrial Development Report 2024.

[01/07/2021 – 30/06/2022]

Consultant on AI policy

UNESCO

City: Paris

Country: France

I assisted the UNESCO Bioethics and Ethics of Science division in developing the world's first global Recommendation on the Ethics of AI:

- Reviewed 27 Ethical Impact Assessment (EIA) tools for AI from private sectors, think tanks, and public bodies around the world.
- Prepared a comprehensive report that evaluated the usability, utility, and feasibility of the top six EIA tools.
- Presented the findings at UNESCO HQ in Paris.

Currently, the results are being used by UNESCO staff for the development of the first global Ethical Impact Assessment tool for AI.

[01/06/2019 – 01/09/2019]

Government Relations manager

Beeline (VEON Ltd.)

City: Moscow

Country: Russia

- Conducted Regulatory Impact Assessment (RIA) of IT and telecom sectoral legislation, assessing the regulatory burden and corruption risks of the new regulation.
- Contributed to a civil-corporate advocacy campaign against the "Sovereign Internet Law" in Russia.
- Assisted the GR director in various public consultations with federal state bodies, including the Ministry of Digital Development.
- Collaborated with industrial business associations on the policy advocacy matters.

[01/09/2018 – 01/01/2019]

Government Relations manager

DIXY group

City: Moscow

Country: Russia

- Conducted daily monitoring of business regulations in the grocery retail sector.
- Prepared reports for the head of the Government Relations team.
- Managed written communication with regulatory and supervisory agencies.
- Drafted official statements for company representatives during meetings with public officials from various ministries and business associations.
- Successfully planned and organized a joint event with the Moscow government, demonstrating effective collaboration between the company and the government.
