Production and analysis of Cedefop's new European Skills Forecast

CEDEFOP

September 2024 - August 2028

Cedefop, since 2005, has developed a methodological framework to estimate projections for the skills demand and supply across EU Member States. The main objective of this framework contract is to produce regular Skills Forecasts, consistent in scope and level of detail with the previous releases, and analyse the results producing high quality outputs. A consortium led by Cambridge Econometrics (and with wiiw as a partner) is producing and further developing these forecasts from the beginning and has been commissioned all consecutive contracts.

Production and analysis of Cedefop's new European Skills Forecast (Specific Contract No.1)

CEDEFOP

October 2024 - October 2025

This service request covers the tasks and activities for the production of the first regular update of the Skills Forecast, the continuous development of the methodology and validation of results, and the 2024 autumn update of the STAS.
